President's Message

Spring is in the air and our Gators have so many exciting opportunities before summer arrives. New After School Enrichment programs will be announced soon, Daddy/Daughter Dances and Mother/Son Olympic events are around the corner and another book fair at the end of the month. We hope you will participate in these events with your child and help us grow the Greenwood community.

Volunteer and get involved this spring with the PTA and make a difference in the lives of our students! In the hall by the front entrance of school we keep a running list of volunteer opportunities including the WATCH Dog program, hospitality events, our upcoming silent auction, and the after school enrichment programs. Not all positions require you be at the school during the work day so please find somewhere to plug in.
