## VOLUNTEER OF THE MONTH Crystal Lett

The PTA would like to recognize and thank **Crystal Lett**, our Gator Store/Spirit Wear coordinator. Crystal worked hard over the summer to design and order our Gator spirit wear for our new house system. Then she got our Gators their Spirit Packs during a very energized and exciting Open House, and she has continued to work each day this first week of school to fill Spirit Wear orders. Thanks, Crystal!

Our Gators are rockin' their house colors with pride because of your hard work!

Destination Imagination is an after school program that promotes teamwork, builds problem solving skills and encourages creativity. It's hand on fun and a great learning experience. Students in 3<sup>rd</sup>-5<sup>th</sup> grade can participate in the Elementary Competition. This year, our team will work together to create a solution to a Team Challenge from one of six different areas (Technical, Scientific, Engineering, Fine Arts, Improvisational and Service Learning). The teams also use their creative and teamwork skills to solve Instant Challenges during which they will use their quick thinking skills to solve the problems in a certain amount of time each week during tournament practices. Our elementary team(s) compete in the Virginia regional tournament in the spring and if they qualify, they can advance to the Virginia State Tournament and even qualify for Global Finals!

PRACTICES WILL BE ON THURSDAY AND START SOON! SIGN UP TODAY!
