Happy Thanksgiving!

We are thankful for you, our Greenwood Community and for your 100% support of the PTA!

As we enter Thanksgiving week, I am so thankful for the students, faculty, administration and parents who make up Greenwood Elementary School. Thanks to your generosity and support, we have accomplished so much for our school in just three short months and are making a difference in our children's learning experience. We have fully funded Dreambox, added more books to the Book Room, provided new non-fiction resources in the library to meet the diversity of our school, supplied new learning programs for maker space that allow students to explore and grow, and cared for the mental health of our students and faculty. We've provided exciting community outreach opportunities with Fall Festival, a Back to School Gator Block Party, Book Fair, Spirit Nights, and much more!

Now we have reached a new milestone for Greenwood, ***we have reached 100% PTA Membership*** prior to Thanksgiving!! Thank you for joining, supporting, and believing in our mission and helping build a strong community at our school. Happy Thanksgiving to our friends and family at Greenwood!

Last chance to tell us about your Fall Festival Experience

Our survey is closing soon, please let us know what you thought of the Fall

Festival so we can plan accordingly next year. Thank you for helping us create meaningful experiences at Greenwood.
